

Hi, I am Pam.

I was born in Quincy, Florida, and raised down the road in Tallahassee. A *'Tallahassee Lassie'*, except for the two years in St. Augustine, and just returned from three-years residing in Abingdon, Virginia.

I was blessed to have worked for The Florida Fish and Wildlife Conservation Commission, for 28 years. Due to health issues, I retired in 2008. In 2010, I married my best friend, Jerry Parker.

I was honored to have two amazing sons, whom are now in the presence of Jesus.

My passion is honoring Jesus, loving my family, and serving others.

I am an avid outdoors person, enjoying all wildlife and enjoy wood burning.
